1.1 Member countries shall ensure that their authorizations for the operation of any postal payment services operated by WPSPs require WPSPs to comply with the relevant provisions of this Agreement relating to postal payment services and shall ensure that such authorizations require the WPSP to comply with any relevant Union requirement for licensing arrangements to operate under the PosTransfer collective brand.

1.2 The identification of WPSPs by member countries shall be in accordance with the parameters defined in paragraph 1 (subject to the detailed operational criteria defined by the relevant body established under the Postal Operations Council).

Article II

Operational functions

1 With reference to article 6.4 and in application of articles 3 and 4 of the Postal Payment Services Agreement, any operator designated by France shall open postal payment services only with operators of member countries that are signatories to the Agreement.

2 In cases where one of these operators is not a designated operator, it shall only be able to pay orders received from the French designated operator. To conclude an exchange contract with a French designated operator, this operator shall first provide a copy of the declaration of its participation in the exclusive execution of postal payment service orders, made to the competent authorities of the member country concerned, which may, at its discretion, combine it with an authorization.

3 These same provisions shall apply reciprocally on the national territory of France to any operator in France wishing to enter into a partnership exclusively with designated operators of other member countries that are signatories to the Postal Payment Services Agreement.

In witness whereof, the plenipotentiaries of the governments of the member countries have drawn up this Protocol which shall have the same force and the same validity as if its provisions were inserted in the text of the Postal Payment Services Agreement itself, and they have signed it in a single original which shall be deposited with the Director General of the International Bureau. A copy thereof shall be delivered to each member country by the International Bureau of the Union.
