

75TH

ANNIVERSARY OF POFIS

SLOVAK POSTAL PHILATELIC SERVICE

REGISTER

Slovak Post was founded in 1993 as an independent postal company after the dividing of Czechoslovakia. However trademark **POFIS** (i.e. **P**oštová **F**ilatelistická **S**lužba = Postal Philatelic Service) was founded as early as 1950 as a specialized organizational unit of the Czech-Slovak Communications Administration dealing with trade in philately, with two headquarters in Prague and Bratislava. While POFIS Bratislava remained part of the Slovak Post, POFIS Prague was sold by the Czech Post to a private person, the well-known Czech philatelist František Beneš, who currently operates it only as a publishing house of philatelic literature. Since 2007 POFIS Bratislava has been a department responsible for all activities related to the issuance of Slovak postage stamps: postage stamp creation, printing technologies and storages of new issued postage stamps before their shipping to postal offices. Since 2019 is POFIS merged together with Postal Museum (PM founded in 2000) into one organization unit POFISandPM.

POFIS strives to continue preserving the heritage of Czechoslovak postage stamp creation founded on artistic valuable pieces and classical technology of producing postage stamp. Slovak postage stamps are created by the most important Slovak graphics artists. Probably 30% of all issued postage stamps is printed by very rare technology of recess printing from flat plate prepared according to original engravings of Slovak specialized graphic artists engravers. POFIS also emphasize on traditional Czechoslovak issue series such as: "Important Personalities" (since 1920), Presidential Stamps (since 1925) "Definitive Postage Stamps" depicted cultural monuments (since 1926), "Important Historical Events" (1935), "Stamps for Children" (since 1936), "Protection of Nature" (since 1940), "Sport" (since 1944), "Technical Monuments" (since 1953), "Beauties of Our Homeland" (since 1954), "Olympic Stamps" (since 1956), "Art" (since 1965), "Postage Stamp Day" (since 1960). "Christmas and Easter" (after collapse of communistic regime in 1989).
