

## Questions and answers

1. Please clarify whether vehicles and machineries are required by the bidder for the performance of the tasks ?

- Not particularly

2. Please specify and give detailed information about the sufficient liability insurance. Please confirm the expected sum insured and the expected scope ?

- This is the bidder's own responsibility.

3. Please provide information on how far in advance weekend and evening work will be notified.

- Usually several days/weeks in advance. However, there may be occasions when resources need to be committed at very short notice.

4. Please provide information on the distribution of the workload for the 5 employees to be taken on.

- Cf. annex 1 / The number of employees is 4, not 5, which is a typing error.
