

## UPU Messaging Standards – Order Form

This form allows you to order UPU messaging standards. There are two possible types of order:

- A one-time order, for a specific document or set of documents
- A yearly subscription, for all messaging standards

### One-time order

Please complete the second column of the table below.

The unit price covers the cost of a single standard for a single user (single workstation licence) with no subscription for updates. The standards are available on paper or as a PDF file (sent via e-mail).

<i>Type of one-time order</i>	<i>List of standards ordered<sup>1</sup> (e.g. M40, M41)</i>	<i>Unit price (CHF) UPU members (50% discount)</i>	<i>Unit price (CHF) Non-UPU members</i>
Standard – PDF only		250	500
Standard – paper only		350	700

### Yearly subscription

A yearly subscription provides access to all messaging standards and their potential updates during the year (up to four updates per year). It can be easily renewed annually.

Please complete the second column of the table below.

The standards are available on paper or electronically (online/CD-ROM as PDF and web pages).

<i>Type of yearly subscription order</i>	<i>Order (number of units)</i>	<i>Unit price (CHF) UPU members (50% discount)</i>	<i>Unit price (CHF) Non-UPU members</i>
