TIMBRES-POSTE – INFORMATIONS ET RÉPARTITION

Les timbres-poste, etc., ci-après sont répartis entre les opérateurs désignés conformément à l'article 06-002 du Règlement de la Convention.

Suite à une proposition du Bureau international de l'UPU, les opérateurs désignés ont accepté, lors du deuxième Comité de gestion de l'Association mondiale pour le développement de la philatélie pour le cycle de Doha, une réforme du bulletin afin qu'il soit plus facile à lire et plus interactif.

Dans cette perspective, un certain nombre de modifications ont été apportées. La plus importante est la reproduction des timbres-poste en lieu et place de la description écrite.

De plus, le bulletin est désormais lié au système de numérotation de l'Association mondiale pour le développement de la philatélie (WNS) où vous retrouverez grand nombre des timbres ci-après. Il suffit de cliquer sur le nom du pays pour avoir accès à ses émissions ou un timbre pour afficher les données techniques de celui-ci, pour autant que le pays participe au WNS.

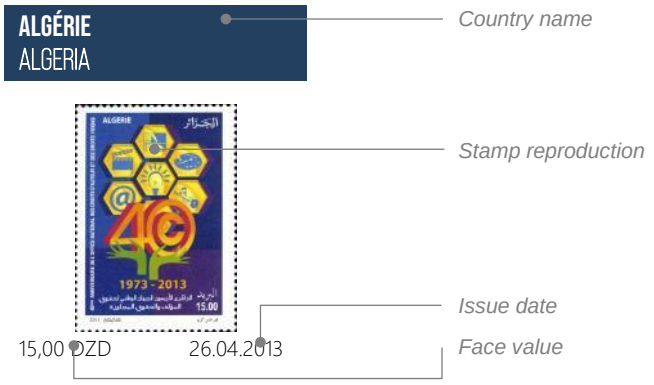

POSTAGE STAMPS – INFORMATION AND DISTRIBUTION

The following postage stamps and other philatelic items are being distributed among designated operators in accordance with article 06-002 of the Convention Manual.

At the second WADP Management Committee meeting during the Doha cycle, designated operators accepted the proposal by the UPU International Bureau to revamp the bulletin to make it more reader-friendly and interactive.

A number of changes have accordingly been made. Most notably, instead of a written description, the stamps themselves are reproduced.

Moreover, the bulletin is now linked to the World Association for the Development of Philately's numbering system (WNS), where you will find many of the stamps listed below. Simply click on the country name to access its issues or a stamp to display its technical data, provided the country participates in the WNS.
